

INFORMAL EMAILS

Informal emails are pieces of writing we send to people we know well.

- We usually start an informal email with **Dear/Hi + the person's first name**.
- In the first paragraph, we write our **opening remarks** (e.g. *Hi! How are you?*) and the **reason for writing**.
- We write about the **specific topics** of our email/letter in **separate paragraphs**.
- In the last paragraph, we write our **closing remarks** (e.g. *Have to go now.*) and sign off with an informal ending (e.g. *Yours*) and our first name.
- We use **informal style**, that is:
 - everyday vocabulary (*I'm having a great time.*)
 - colloquial expressions/idioms (*Drop me a line.*)
 - informal linkers (*so, and, etc.*)
 - short verb forms (*I can't, I'll be...*)
